Dear Nebraska Employer:

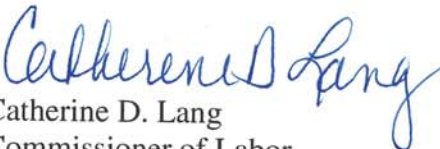

RE: UI 87R – Reimbursable Benefit Charges

Last week a Reimbursable Benefit Charges, Form UI 87R, for the quarter ending June 2011 was mailed to you. The top portion of this document is your billing statement for benefit charges that are to be reimbursed to the Nebraska Unemployment Compensation Fund. The remainder of the document lists the individuals which had claimed unemployment insurance benefits during the quarter.

Due to a system error, there was erroneous data printed on some of the UI 87Rs. We are currently working to resolve this issue and will be sending a corrected UI 87R to you. Please disregard the information on the UI 87R that was mailed on July 6, 2011. The amount to be remitted may be incorrect. The due date for payment and the calculation of interest will be revised based on the corrected UI 87R.

We regret any inconvenience this may have caused.

Sincerely,

Catherine D. Lang
Commissioner of Labor
